

Plain-Language Summary of Financial Assistance Policy

Benefis Hospitals, Benefis Medical Group Physicians (Great Falls) and Benefis Teton Medical Center (Choteau) will provide emergency and medically necessary healthcare services for free or at discounted rates to certain patients who are uninsured or have limited insurance available. Generally speaking, patients eligible for discounted charges must have family incomes under 400% of the Federal Poverty Guidelines, while patients eligible for free care must have family incomes under 200% of the Federal Poverty Guidelines; in both cases, patients must not have available assets above established thresholds. Financial assistance may also be available in other limited circumstances, depending on the size of the patient's medical bills and whether the patient meets certain other criteria for eligibility.

Patients seeking financial assistance may apply by completing a Financial Assistance Application. Copies of the Financial Assistance Application, as well as Benefis Health System's Financial Assistance Policy and Billing and Collection Policy, are available at <https://www.benefis.org/patients-visitors/patients/billing-insurance/billing-insurance>. Patients may also request free copies of the Application and these policies by mail, by calling 406-455-3557 or *Benefis Teton Hospital* at 406-466-6003, or may obtain free copies in person at the Patient Financial Services Office at either:
